Dear Stakeholder

RE: INVITATION TO STAKEHOLDER CONSULTATION WORKSHOP FOR THE DEVELOPMENT OF PROVINCIAL INTERGRATED WASTE MANAGEMENT PLAN REGULATIONS

The Gauteng Department of Agriculture, Conservation and Environment (GDACE) intends to develop Integrated Waste Management Planning Regulations (IWMP Regulations) for the Province. GDACE has appointed Environmental Sciences Associates (ESA) as a lead agent to assist in developing the regulations.

The objective of the proposed IWMP Regulations is to ensure consistency in the submission and revision of IWMPs by Gauteng Local Authorities. You have been identified by GDACE as an important and key stakeholder and are herewith invited to attend a stakeholder workshop.

The main aim of the workshop is to provide Stakeholders with the findings regarding the proposed IWMP Regulations, the process to be followed, investigation undertaken by ESA as well as to provide you with an opportunity to present your comments and input into the process. As a key stakeholder, representatives from your organisation are also cordially invited to the workshop planned as follows:

Date: Thursday 29 November 2007
Time: 8:30 – 15:00
Venue: Pyramid Hotel, Johannesburg

For directions to the venue see attached map, and to confirm your attendance please contact Abdul Ebrahim of Environmental Science Associates at the number given above.

Yours faithfully

Ms Z Smale

Director: Waste Management
